REPORT OF RELIGIOUS LITERATURE COMMITTEE

This is an age of extensive reading. The power of the printed page in forming ideals and shaping character can scarcely be overestimated. The church has a great field of service in placing the right kind of literature in the hands of our young people.

Recognizing the value of literature of the uplifting type, and realizing that there is a great amount of literature, both helpful and pernicious, we, your committee, recommend:

1. That our homes exercise great care in the selection of literature for home reading, and especially urge regular, systematic reading of the Bible in the home, as we find in the Bible the chief source of character-forming truth.

2. That The Christian Sun, Herald of Gospel Liberty, The Christian Missionary, and our various Sunday School publications, including The Teachers' and Officers' Journal, have a prominent place in our reading because of their inspirational and practical value in all our work.

3. That the attention of our people be called to the helpful Sunday School, Christian Endeavor, and missionary books, which may be obtained through our Publishing Houses, and that our people be urged to patronize our own Publishing House when in need of any church and Sunday school supplies.

The following were invited to seats as deliberative members: Dr. W. W. Staley, Dr. W. A. Harper, C. D. Johnston, Rev. C. B. Riddle, Rev. J. C. Barrett.

REPORT OF COMMITTEE ON MORAL REFORM

Your Committee would not be pessimistic enough to say that the world is growing worse. In fact, we feel that the moral conditions among our people are improving. However, conditions as they are in comparison with what they should be are very unsatisfactory. The goal of the moral reformer can only be reached when people apply in private life and public life the principles as set forth in the Sermon on the Mount.

We, therefore, recommend:

1. That our ministers and laymen of the Church co-operate in the great magnanimous task of destroying all social evils which confront us today, such as drinking alcoholic liquor, dancing, gambling and all forms of mob violence, etc.

2. That we endorse public amusements only so far as clean, wholesome, and elevating.

3. That we seek to provide wholesome expression of the social life of our young people.

4. That we condemn all forms of graft and dishonesty in the business world.

5. That we discourage the use of tobacco in all its forms.

6. That we as Church people remember the Sabbath day to keep it holy.

7. That we pray that the law of love may reach out its embracing arms to the four corners of the earth and draw us together in bonds of unity, giving peace and happiness to all the world.

W. C. HOOK,
J. E. FOSTER,
J. T. MARSHALL,
Committee.

Adopted.

C. D. Johnston, Superintendent of the Christian Orphanage, made an address on the Orphanage. An offering was received for the Orphanage, amounting to $43.44.

REPORT OF COMMITTEE ON FOREIGN MISSIONS

"Inasmuch as ye did it not" I fear will be the condemnation meted out by the Great Judge to many of His professed followers, if we still sit idly by, and make no effort to carry the blessed gospel to benighted souls who cry to us continually, "Come over into Macedonia and help us." An awakened interest has been manifest in this Conference in the past decade, new light and information have urged us on, and we are beginning to realize the joy in thus serving Him.

We have the information in pamphlet and book form, and in various articles in our Church papers and magazines. We recommend the seeking of this knowledge by each and every individual Christian; and also recommend direct communication with Him to guide us in the use of money entrusted to us, that it may be used to enlarge and enrich His kingdom, till all nations shall bow before Him, and the whole earth be filled with His glory.

MRS. W. T. WALTERS,
EDWARD HERRING,
Committee.

On motion Conference adjourned for dinner.

FRIDAY—AFTERNOON SESSION

Conference called to order at 1:45 by the President.

Devotional half hour conducted by Rev. C. B. Riddle.

An address was delivered by Rev. C. B. Riddle, subject, "Christians and Their Publicity."

REPORT OF COMMITTEE ON EDUCATION

It was demonstrated in the great world war that the man with the untrained mind as compared with the man with the trained

mind, was, as a fighting unit, only 75 per cent efficient. In other words, the man with the untrained mind, other things being equal, was only three-fourths of a man. If men with trained minds are necessary in time of war, they are equally necessary to meet the opportunities and solve the problems of peace.

But while it is important that we seek the fullest development of the mental powers it is more important that these powers be under the guidance and control of the spiritual. Sharpened tools are a great blessing when under the domination of a constructive spirit, but a great curse if dominated by a destructive spirit. Therefore, the urge of Christian education, with the emphasis on "Christian."

We rejoice in the continued prosperity of Elon College, and urge the fullest patronage of this our school by the members of this Conference.

We recommend:

1. That the pastors and churches take note from year to year of any boys and girls of their congregations who are in their senior year in high school, using their influence to turn them to Elon for their college training; also send a list of the names of any such to Dr. W. A. Harper in order that he may use his persuasive powers to the same end.

2. That punctuality in the payment of pledges to the Men and Millions Movement be observed, as our educational interests are, to a certain degree, dependent on the prompt payment of these subscriptions.

3. That our Sunday schools and Christian Endeavor Societies take steps to furnish a workers' library for the use of their workers.

4. That Bro. L. R. Townsend, who sends us an excellent report of study and religious work done during the past year, be continued in the Biblical Class for another year.

5. That Bros. W. M. Clem and J. T. Marshall be continued in the Biblical Class. Bro. Clem is in Elon College doing splendid work, and Bro. Marshall expects to enter Elon this fall.

6. That this Conference go on record as endorsing "The Church's System of Education" as set forth by the Board of Education of the Southern Christian Convention.

7. That all licentiates and members of the Biblical Class be requested to purchase a copy of the Government and Principles of the Christian Church, and be a subscriber to The Christian Sun.

We most heartily endorse the work done at our Seaside Chautauqua, and wish that every pastor in this Conference, would seek to attend its annual gathering, and that every Sunday school and Young People's Society should strive to have one or more of its workers present at the Chautauqua each year.

A. B. KENDALL,

REPORT OF COMMITTEE ON SUNDAY SCHOOLS

Our last session of Conference, and our last session of the Sunday school and Christian Endeavor Convention endorsed the idea of an all-time Field Secretary of Sunday schools, as planned by the Board of Religious Education of the Southern Christian Convention, and we want to commend the Board in the selection of Miss Lucy Eldredge for Field Secretary.

We are glad to report a steady growth in our Sunday school work, and in contributions made to missions and the Orphanage, as shown by the reports at our last Sunday school and Christian Endeavor Convention.

Realizing the supreme importance of the Sunday school in building and maintaining our churches, and desiring to see more schools organized, and our active schools reach a higher place of efficiency and service, we recommend the following:

Definite missionary instruction, and a monthly offering for missions in every school.

A monthly offering for the Christian Orphanage at Elon College in every school.

The training and development of Sunday school teachers, workers, and leaders.

Adequate equipment for Sunday school work.

The observance of Childrens' Day, Rally Day, and Decision Day.

That we patronize our own institutions and publishing houses, and use, as far as practicable, our own literature.

REPORT OF CHRISTIAN ENDEAVOR COMMITTEE

It is very encouraging to learn that our people are awakening as never before to the great need and crying demand for trained leaders for all phases of Christian work. As is almost universally recognized Chistian Endeavor is the training station of the church. We can scarcely see how any church can afford not to have a Christian Endeavor Society.

As far as we can learn there have been no new Societies organized within this Conference during the past conference year. The one at Newport, which became inactive last summer, has been reorganized, and is doing splendid work now. The other six, so far as we can learn, are progressing very nicely.

We recommend:

1. That the pastors and leaders in the churches endeavor to organize a Christian Endeavor Society in every church in the conference that does not already have one, where at all practicable, during the next conference year.

2. That more use be made of Bro. W. C. Wampler in organizing and maintaining Christian Endeavor Societies than has been done during the past year.

3. That every Society subscribe for the Christian Endeavor World, and use it in making out prayer meeting programs, etc.

4. That each Society put forth an effort to increase its membership by at least 25 per cent during the next year.

5 That, as far as possible, we conform to the plans and wishes of the Board of Religious Education.

MRS. R. P. CRUMPLER,
Committee.

The second was arranging a program as an order of business for this session of Conference.

G. D. HUNT, Chairman.

By motion it was decided to hold the next session of Conference with the church at Mt. Zion.

Moved and carried that we have our minutes printed in The Annual; that we buy one hundred copies at fifty cents a copy; that they be paid for from the Home Mission Fund and that they be sold, and the proceeds refunded.

The following were appointed as a Committee on Nomination: C. W. Carter, R. B. Culpepper, J. D. Dollar, J. W. Payne.

SECOND DAY'S SESSION

Conference met and was called to order at nine o'clock by the president. Devotional services were conducted by Rev. G. H. Veazey.

REPORT ON CHRISTIAN ENDEAVOR

Your committee means simply to direct attention to the report for last year. In addition will say that Christian Endeavor is a training school. Many times those who are influenced by this movement have been lead to decide for their life's work and have become efficient in Christian service. We have at this time only one society which is doing good work, and would urge that the work be presented to all the churches.

E. M. CARTER, Chairman.

REPORT OF MISSION BOARD

This has been the hardest year in the history of our mission work, but in the midst of hardship the Lord has wonderfully blessed our efforts. We have erected two churches in North Alabama. These churches are not finished, but are in condition for use and services are being regularly held in each of them. We have had Rev. J. W. Elder employed for one-half time this year to look after our work

in this mission field. We heartily commend him for his efforts and the success which has attended him. Our work is growing in North Alaabma just as we expected and just as we desired. It has passed the experimental stage and now assumes business proportions. We now need more money in our work.

One man can no longer successfully carry this work. We must have more help. We recommend:

First: That we ask our Woman's Missionary Board to assume the support of one missionary in that field for one-fourth of his time.

Second: That we ask our Convention Board to continue to help us support this work for another year; and that we assist both of these churches in securing pastors for next year.

Third: That we raise next year for Home Missions $250.00.

G. D. HUNT, Chairman.

During the discussion, a collection in cash and subscription was taken to the amount of $205.00. The report was adopted.

By motion Rev. G. O. Lankford, D. D., was asked to preach. After preaching conference adjourned for dinner. Benediction by Rev. J. D. Dollar.

SECOND DAY—AFTERNOON SESSION

Conference was called to order by Rev. J. D. Dollar, Vice President. Devotional services were conducted by Rev. W. T. Meacham.

REPORT ON FOREIGN MISSIONS

We believe that the Church must be missionary in spirit and activity with a world program, and should not be content or satisfied until the gospel has been preached to all nations, and to this end there seems to be an increased interest in missions at home and abroad.

We endorse and appreciate the purpose of the Southern Christian Convention Board to establish a mission work in China and that we do a full share in supporting the work.

We recommend:

First: That we raise next year one hundred fifty dollars for this cause.

Second: That each church in the Conference have a well organized mission society for we are more successful in raising money through a definite and complete system.

Third: That we read the missionary papers and other literature that we may have a better understanding of the work and a higher conception of our relation to it.

C. W. CARTER,
A. H. SHEPPARD,
J. E. AMERSON,
Committee.

REPORT OF SUNDAY SCHOOL BOARD

Your Board has held two meetings—one at Noon Day, on May 28. Not having sufficient data from which to draw plans for work, we decided to meet again at Wadley on June 30 and ask the pastors to meet us; which meeting we held—some of the pastors with us. After discussing the situation, and finding that three of our churches were without Sunday schools and some of our schools were poorly organized, we fixed as our goal: Better organization, a school in every church and two hundred more members than last year.

We have succeeded in organizing schools in two of the churches which had none. According to the reports received we have gained 211 over last year with one church not heard from. We think that our Sunday school work is improving some. We find that most of our schools are evergreen, but our class organization is not what it should be; almost no departmental organization.

We wish to recommend:

That our pastors instruct their schools on organization.

That each school organize and maintain a Teacher Training Class.

That each school have both a Home Department and a Cradle Roll.

That each school give one offering to the Orphanage and one to Missions every month.

J. W. PAYNE, Chairman.

REPORT OF COMMITTEE ON NOMINATIONS

We, your Committee on Nominations, submit the following:

For Members of the Mission Board—J. T. Gibson, Dr. J. M. Welch, Rev. J. H. Hughes and Rev. E. M. Carter.

C. W. CARTER, Chairman.

J. T. Gibson and E. M. Carter were elected members of the Mission Board for two years.

REPORT ON MORAL REFORM

Realizing that morality is closely related to Christianity and if the world is ever won for Christ it must be done through the Church and if the Church does its work thoroughly it must have a high moral standard, we recommend:

First: That every home have a family altar and that we remember the Sabbath day to keep it holy.

Second: That we be very careful about our daily conversation, knowing that we have an influence.

Third: That we continue our fight against the evil of strong drink, and soft drink as well.

Fourth: That we discourage the use of tobacco in all forms, but more especially that of cigarettes.

Fifth: That the divorce evil is a shame on any Christian nation.

Sixth: That we discourage playing or patronizing match ball games.

Seventh: That we condemn the immoral picture shows with our absence.

J. D. DOLLAR, Chairman.

While the report was pending by motion the Secretary was instructed to write a letter to the representatives of the counties represented in this body, urging them to support the Blue Law, to restrict the divorce evil and to support measures to enforce the law prohibiting the manufacturing of liquors, and near-beer.

REPORT ON SUPERANNUATION

Your committee has had nothing definite to come before it during the year except to recommend Revs. W. R. Knight and C. M. Dollar as those worthy of help.

We recommend that this body lay an assessment of $100.00 upon its churches for this fund.

E. M. CARTER, Chairman.

Wadley, October 13, 1921.

Conference was called to order at 9 o'clock by the President. Devotional services were conducted by Rev. J. D. Dollar.

The President appointed the following to prepare a report on Religious Literature; C. W. Carter, W. T. Meacham and G. H. Veazey.

REPORT ON EDUCATION

Religious education is a real and vital necessity in the life of the Church. This phase of service to the rising generation we cannot afford to neglect. To do so, is to invite disaster upon the cause we represent. To give earnest, consecrated attention to this matter is to fortify ourselves for the work of the future.

We congratulate Elon College that the Preparatory Department has been discontinued, thus raising the standard of the institution to the point of due recognition among the colleges of the country. We urge the Conference to stand loyally by this institution.

We rejoice as the work goes forward for the establishing of the proposed school for this section of our work. The place for location having been decided upon at Wadley. We feel that this school, when once in operation, will be a permanent and an indispensable asset to the work in our section. It should mean to the work in Alabama and Georgia what Elon has been to the Southern Christian Convention. We call upon this Conference to give its unanimous support to this proposed enterprise of our Church.

We recommend:

1. That, as promptly as possible, the payment of the pledges to the Men and Millions Forward Movement.

2. That G. H. Veazy and W. B. Knowles be ordained to the full work of the Gospel ministry.

3. That the credentials of R. L. Wisener, who having joined and been recommended by the church at Pisgah, being an ordained minister in the Missionary Baptist church, be endorsed.

4. That Jesse Dollar, who is now in Elon College; Warner Carpenter and M. R. Pollard be licensed as probationers to preach the Gospel wherever the providenec of God may call.

5. That we extend the licenses of Jessie Duke, W. T. Meacham, Brown L. Smith, J. E. Amerson and J. C. Knight another year.

6. That the names of John Taylor and J. M. Clifton be dropped from our roll, having joined another church.

E. M. CARTER, Chairman.

Adopted.

REPORT ON RELIGIOUS EDUCATION

Your committee on Religious Literature submits the following: We believe that the kind and quality of literature we read has

its influence in shaping our lives and character, and also stimulates us for Christian service and activity. To this end we urge our people to support our publishing interest. We recommend:

First: That we all study the Bible first of all books.

Second: That we subscribe for and read our Church papers, The Herald of Gospel Liberty, The Christian Sun and Christian Missionary. Use our own Sunday school literature.

C. W. CARTER,
W. T. MEACHAM,
G. H. VEAZEY,

Adopted.

Revs. G. D. Hunt, E. M. Carter and J. D. Dollar were appointed an Ordaining Presbytery with Rev. C. W. Carter as conductor.

The Conference gave way for the Missionary Association. The roll was called and dues paid.

The Conference resumed work, whereupon G. H. Veazey and W. B. Knowles were ordained to the full work of the Gospel ministry.

By motion the Conference adjourned to meet with the church at Mt. Zion on Tuesday after the second Sunday in October, 1922, at 10 o'clock A. M.

Benediction by Rev. W. R. Knight.

REPORT OF EXECUTIVE COMMITTEE

Your committee has had only one item of business that claimed attention during the year.

Rev. R. F. Brown, of the North Carolina Conference was received by letter by us as an ordained minister.

P. L. DUKE,
C. W. HANSON,
Committee

REPORT ON FOREIGN MISSIONS

The supreme purpose of the church may be summed up in the one word—Mission.

You cannot be loyal to Christ and not be missionary. Our people

are waking up to the need of missions, though the number is small when it comes to those who obey the spirit's call for missions.

We recommend tithing, the Bible plan of financing the Kingdom.

P. L. DUKE,
J. F. HILL,
Committee.

REPORT ON EDUCATION

Your committee has reasons for rejoicing in making this report. The school that we have talked and prayed about has at last been located. We trust in a few years we shall have a growing institution that shall do us good.

We make the following recommendations:

1. That we raise $150.00 for ministerial education.
2. That we continue to raise the Elon College fund.
3. That Bro. Fred D. Dixon, who comes to us from the Baptist Church as an ordained minister, be granted credentials from this Conference.
4. That Bro. D. A. Evans, who comes to us from the M. E. Church as a licensed preacher, be ordained to the full work by this Conference.
5. That Brothers A. S. McDowell, C. L. Reese, Ellis Easterwood and W. W. Willingham be licensed to preach for one year.

Respectfully submitted,
H. W. ELDER,
P. L. DUKE,
H. M. GRAY,
Committee.

REPORT ON SUNDAY SCHOOLS

We, your committee on Sunday schools, submit the following report:

We find that the Sunday school interest is growing in our churches. Our schools are making an effort to do more specific work than ever before. We especially commend them and we recommend that each school make an offering to the Orphanage and also to missions once each month.

We ought to encourage our people in all their efforts to do good; and to this end, we recommend that we hold a Sunday school Convention some time next spring.

T. W. GRAY,
W. W. WILLINGHAM,
W. A. SMITH,
Committee.

REPORT ON MORAL REFORM

There is no question more far-reaching than the matter of moral character. It touches the whole fabric of social, industrial, and religious life. In this age when the commercial spirit is so predominant, and the desire to get rich is so deeply seated, it is easy to forget the fundamental matter of character and disregard the weightier matter of the eternal laws of God.

We recommend that we, as a Church, and as a Conference, desire to express our condemnation against every immoral agency of whatever kind or type, especially Sabbath desecration, drunkenness, profanity, cigarettes and the immoral picture show. Let the ministers of our Conference take their stand against these things, and let our laity endeavor to support and encourage them in the undertaking.

H. M. GRAY,
C. W. HANSON,
W. W. WILLINGHAM,
Committee.

REPORT ON RELIGIOUS LITERATURE

It has been said that an "idle brain is the devil's workshop," and we might say that the reading of vile literature is the devil's force at work.

We recommend that we, as parents, set an example before our children by reading first of all the Bible, for we are enjoined to "search the Scriptures for they testify of Me," saith the Lord.

We recommend The Christian Sun and urge our people to take and read it. Also the Herald of Gospel Liberty, and the other publications that are elevating.

We recommend that each member or family secure a copy of the "Governments and Principles of the Christian Church."

Respectfully submitted,
J. F. HILL,
P. L. DUKE,
Committee.

REPORT ON HOME MISSIONS

Your committee has had but one item of business to claim attention during the year. We appropriated to Rose Hill church, to make some repairs on its church building, the sum of $75.00.

The unsettled condition that has prevailed all over the country and the money depression have made it almost impossible to do any building. We hope the condition will get better and that we will soon be doing some aggressive work.

We are glad to have three new churches admitted this time.

We recommend that we raise $225.00 for Home Missions and that we raise our assessment for Convention missions.

Respectfully submitted,

H. W. ELDER,
T. J. HOLLAND,
D. S. HOGG,
Committee.

REPORT ON RESOLUTIONS

We your committee on resolutions respectfully submit the following report:

Resolved—

1. That the Conference, by rising vote, express its appreciation, of the hospitality of the pastor, congregation and friends of the North Highland Christian church in caring so generously for the body during this session.

2. That we express to Rev. H. W. Elder, our retiring President, our appreciation of his faithful service during his tenure of service.

3. That the President and Secretary of the Conference arrange a program for next annual session, notifying the speakers of their respective subjects at least a month in advance of the meeting of Conference.

4. That we endorse the Conference on Limitation of Armaments, which meets in Washington, D. C., November 11, 1921, and express the hope that the conference may be the means of eliminating the possibility of war and find an adequate substitute for war.

5. That all reports to Conference be written by the respective chairmen before the Conference convenes, so that they may be ready for presentation at the proper time.

Respectfully submitted,

W. W. WILLINGHAM,
H. B. FLOYD,
W. M. CROWDER,
Committee.

REPORT ON CHRISTIAN ENDEAVOR

It is estimated that there are more than ten million people living in America today who have received some part of their religious schooling in a Christian Endeavor Society. Dr. John R. Mott said that 98 per cent of all life work recruits come from the Young People's Societies of the Church.

In view of these facts we recommend:

1. That the young people frequently read the poem written by Mrs. J. E. Arnold, entitled "The Beautiful Name," which reads as follows:

C stands for Consecration to Christ and the Church,
H for Humility, the kind He practiced when on earth,
R for Responsiveness when duty calls—no pauses;
I for Interest in all worthy causes.
S for Sincerity, which is always an attraction;
T for Tact, called "common sense in action."
I for Inspiration to do God's will;
A for Aspiration to conquer a hill.
N for Nobleness, the Christian's crown,

By which you can know him the whole world round.

E stands for enthusiasm, for which Endeavorers are known;
N for New Ideas in the establishment of His throne.
D for Determination to do better each day;
E for Earnestness—for this we all pray.
A for activity in every good work begun;
V for Vision, the heritage of the young.
O for Obedience, which joined to faith leads to heaven;
R for Responsibility in hiding the leaven

The whole world over in hearts of men;
And lo, He is with us even unto the end.
If you have any, many, or all of these,
Come join the Endeavorers, and try Christ to please.
You are welcome to the privileges, the service, and fame
Enjoyed by millions called by this worthy name.

2. That each and all Endeavorers endeavor to make their Society worthy of this beautiful name.

E. T. COTTEN, Chairman.

Address, "The Christian Orphanage," by Chas. D. Johnston, Superintendent.

REPORT ON EDUCATION

The public school system has developed a style of architecture that has robbed colleges of their architectural impression upon students. The physical influence of the college no longer furnishes aspiration and inspiration the young.

College standards have been lowered and public school standards have been raised until the college does not loom so large in the eyes of students as in former days. These new conditions raise new problems for colleges, and especially Church colleges. Some new standard must be raised, and some new ground of appeal must put the college above architecture and academic work. That standard might be CHRISTIAN CHARACTER and CHRISTIAN EFFICIENCY. Public schools, professional schools, universities do not make character primary in their work; and none of them propose Christian efficiency as the end of their training.

Elon College has already set up this standard and is trying to maintain it. Money is necessary for an endowed institution; but moral endorsement and students count most in the long run. A full attendance during this generation means continuous patronage. The natural increase in population means larger student body in the years to come. Discouragement should never be written in the book of continuous generations. This human student support of Elon College, in this generation, is what your committee sincerely urges upon the constituency of this Conference. The money and students already put into Elon College have paid the best dividends in useful ministers and Christian workers.

An increase in the number of ministerial students in Elon College this year indicates a return to normal conditions after the war; and pastor N. G. Newman, of the College church, reports improved college conditions in every way this year.

RECOMMENDATIONS

Rev. Dennis F. Parsons writes that he will continue in Chicago University during the present year, and hopes to make his doctor's degree during that time.

J. T. Harrod, of South Norfolk, received last Conference as a candidate for the ministry, continues his studies in Elon College, and desires a loan of $225.00 to pay his board for the college year, and we recommend that his request be granted.

Harold C. Hainer has been recommended by the First Christian church, of Richmond, Va., as a candidate for the ministry, and we recommend that his name be enrolled, and that his request for a loan of $150.00 be granted.

We recommend the licensure of J. B. Chadwick of the Wyoming Christian church, Delaware, upon the recommendation of said church, which desires him to become the pastor.

We recommend that ministers of this Conference give ONE WEEK of their summer vacation to pastorless churches, or to assist some weak point in any way needed, by gratuitous service, and wherever such service seems to be appreciated.

REPORT ON SUNDAY SCHOOLS

Our last session of the Sunday School Convention, held in July, was well attended and enthusiastic. Our new Field Secretary, Miss Lucy Eldredge, working under the supervision of the Board of Religious Education of the Southern Christian Convention, was present, and her messages were well received.

We feel that the opening of this department of our work is a step in the right direction. This work should receive our hearty support and the Secretary should have the co-operation of our Sunday schools and Christian Endeavor Societies.

We cannot emphasize too strongly the importance of the education of our young people along religious lines, and the discovery and training of young life for Christian service and leadership.

We urge the importance of keeping the missionary message and incentive prominent in seeking to carry out Sunday school plans and methods.

W. D. HARWARD, Chairman.

A MEMORIAL

Whereas, the population surrounding the Memorial Christian Temple of Norfolk, Va., has so materially changed in recent years, most of the members of the Temple living in other parts of the city, leaving the population largely made up of Jews, Greeks, Italians and Catholics; and the negro population is fast encroaching on the community, and

Whereas, this condition seemed to make necessary for the Memorial Christian Temple, if it desired to continued to grow and function successfully as a church, to secure another location, and

Whereas, Brambleton is sufficiently supplied with churches, making it seem unwise to attempt to make a new location in that section of the city, and

Whereas, many of the members of that congregation were living more conveniently to the Third Christian church, and others were contemplating moving into that community, and

Whereas, that after much thought and prayerful consideration by the respective pastors and some of the leading members in each congregation, it was decided that the interests of the two congregations, the best interest of the denomination and the best interests of the Master's cause would be served by a merging of the two churches into one, and

Whereas, each congregation by unanimous vote on September 25, 1921, agreed to merge their interests, and cease to exist as the churches of the Memorial Christian Temple, and the Third Christian church, and to become a new church to be known as The Christian Temple of Norfolk. Therefore, be it Resolved:

That with the close of this session of the Eastern Virginia Christian Conference the above-named merged churches officially cease to exist, and that the Christian Temple of Norfolk be officially accepted as a member of this Conference and enrolled on the roll of churches.

Resolved further: That all property and available assets of the Memorial Christian Temple be turned over to the new organization, that they be authorized to dispose of the property to the best advantage, and that the trustees of the Conference be authorized to convey the same. And

Furthermore: it is the expressed intention of the Christian Temple of Norfolk that as soon as it is feasible the new church property shall be conveyed to the Trustees of this Conference.

JAMES H. LIGHTBOURNE,
L. E. SMITH.

Adopted.

(Official records from the two churches were also submitted showing that the above memorial was duly authorized by the two churches.)

The Committee on Nominations submitted a list of names for nominees as delegates to the next session of the Southern Christian Convention, and the following were elected:

REPORT ON HOME MISSIONS

We rejoice in the organization of a church at Ocean View, which should have the encouragement and support of the entire brotherhood.

We earnestly urge our membership to make prompt payments of subscriptions to the Men and Millions Movement and to the Special Mission Fund. During these days of financial depression and hardships, we must not fail to meet our financial obligations. To this task we summon all ministers and laymen to arouse the membership as to their duty and kindle anew loyalty to God and the Christian Church and its various enterprises.

The formation of pastorates is most difficult. With the understanding that after this year the appropriation to same shall not be over Three Hundred ($300.00) Dollars, we recommend an appropriation of Six Hundred ($600.00) Dollars to Ivor pastorate.

As to further appropriations, we recommend as follows:

First, Portsmouth, on Church debt	$500.00
Third, Norfolk, Building Fund	1,000.00
Sarem, on reroofing	100.00

REPORT OF COMMITTEE ON MORAL REFORM

Your Committee believes that as a Conference, composed of Christian men and women we should maintain and constantly proclaim, a high standard of morals. Therefore we recommend:

1. That we put our stamp of disapproval on all forms of Sabbath desecration.

2. That we express our disapproval of the modern dance, and gambling in all their forms, and that we request our people to discourage the parlor dance, and card party in every way possible, especially by declining to tolerate such in their homes. We also enter our protest against the teaching of the dance in our public schools.

3. That we keep up the fight against the liquor traffic, and work and pray for a saloonless world, as well as for the keeping of America saloonless.

4. That we stand for clean politics, and urge our membership to inform itself in order to be prepared to vote for men and measures that will give the specific reforms needed for the best interest of the people.

5. That we encourage the reading of the Bible, not only in our homes, but in our public schools, and all other places of instruction.

6. That we put our stamp of disapproval on that modern teaching which tries to explain away the new birth, make parts of the Bible a myth, speaks of Jesus as a mere man, and declare once

more our belief that the Bible is the Word of God, that Jesus Christ is the Son of God, and that the new birth which is brought about by the Holy Spirit and faith in Christ is still the only door into the Kingdom.

7. That we do hereby express our approval of President Harding, in his effort to bring about world peace, and the prevention of future wars, by calling a Conference on the Limitation of Arms, to meet in the City of Washington, D. C., November 11, 1921; and that we pray that out of that Conference may come that which will be for the good of all mankind, and for the best interest of the kingdom of God.

RESOLUTION

Whereas, A Conference of a number of the leading Nations of the World has been called by the President of the United States, to be held at Washington on November 11, 1921, to consider the matter of reduction of armaments; and

Whereas, A settlement of international disputes by recourse to arms has utterly failed heretofore in effecting a satisfactory or lasting solution of international disputes and differences; and

Whereas, war has entailed and now imposes upon the peoples of the nations of the world great and intolerable burdens of taxation; and

Whereas, The solution of international matters rests on the same basis as the solution of differences between individuals, namely; a solution on the basis taught in the Christian religion; a basis of justice and mutual consideration and forbearance;

Therefore, Resolved: That this Conference urge upon the Conference on Disarmament, in behalf of a world tired of war, and crying for relief from the burdens of taxation and other intolerable consequences of war, that they speedily come to an agreement and understanding by which the armaments of the different nations shall be reduced to the lowest practicable minimum.

Resolved, Further: That the secretary of this Conference forward a copy of this Resolution to Hon. Charles E. Hughes, Secretary of State, and a member of the said Commission.

We recommend the reading of such religious books as are brought to our attention by our religious papers and publications—and referred to at our Conferences and Conventions.

We urge a loyal support of our Church papers, and that our churches and their organizations make regular news contributions of an educational and inspirational nature, to their pages.

We also commend to our people the Christian Missionary.

REPORT OF WOMAN'S BOARD

A decade has passed since organized work among our women began. From that year of beginnings, with about twelve organizations and funds amounting to less than $500.00, we have gone forward with a steady growth unto the present, when we have to report seventy-five organizations, over fifty-eight of last year, and contributions amounting to $5,695.82. There are thirty-three churches in the Conference wholly or partially organized for our work. Considering the financial depression of the past year this excess of approximately $200.00 over our goal, we regard as a healthful and hopeful indication. Furthermore we hold that, throughout the bounds of our Conference, missionary zeal has been quickened because of the enlistment of our women in organized effort, and through mission study work in their societies.

The mid-year district meetings arranged for last year were highly successful. Many of our new societies are the result of those meetings. Miss Midyett, who goes to assist Miss Hedgepeth in her mountain work, was influenced to do this through the appeal made at one of our rallies. The challenge of this work is meeting with a hearty response from our young people. They will raise during the coming year $1,000.00 for the work, and a similar amount for the foreign work. The women have obligated themselves for $1,500.00 for the Richmond work and $1,200.00 for our Foreign Missionary elect, for which fund we have on hand more than $3,000.00 waiting for the man. Our goal for the coming year is $6,000.00 for all departments of our work.

Officers for the ensuing year:

President—Mrs. C. H. Rowland, Franklin, Va.

Vice-President—Mrs. I. W. Johnson, Suffolk, Va.

Secretary—Mrs. Leon Stagg, Norfolk, Va.

Treasurer—Mrs. M. L. Bryant, Norfolk, Va.

Superintendent of Young People's Work—Mrs. W. V. Leathers, Holland, Va.

Superintendent of Literature—Mrs. J. E. Cartwright, Norfolk, Va.

Superintendent of Cradle Roll—Miss Mary Andrews, Suffolk, Va.

MRS. C. H. ROWLAND, President.

REPORT OF COMMITTEE ON FOREIGN MISSIONS

We, your Committee on Foreign Missions, beg leave to submit the following report:

That, whereas, we who live in the enlightened lands today must realize the fact that if the course of civilization had not moved

westward, but eastward, instead of America being the Christian nation that it is, sending its hundreds of missionaries and Christian workers to the nations that know not God, the reverse of what now is would probably have been true, and dark and benighted America with its teeming millions would today be hearing the Gospel preached by the Syrian, the Indian, the Chinese, the Japanese and the Malay, pointing us the way out of darkness into light.

However, Western Europe and America have been destined to lie in the way of a rapidly developing civilization, supremely dominated by the Christian religion. Upon these nations, prominent among which is our own beloved America, lies the responsibility of carrying into execution the command of our Master: "Go ye into all the world, and preach the Gospel." And we, the Christian followers, working within the bounds and under the jurisdiction of the Eastern Virginia Christian Conference must assume our proportionate part of this work of world evangelization.

We have great cause for rejoicing in the enlarged plan of work by the General Mission Board, in which the S. C. C. Mission Board is heartily co-operating. The recent trip of the Foreign Mission Secretary, Rev. W. P. Minton, to Japan, was a valuable and timely one, not only because it gave to our Mission Secretary a broader and deeper and more concrete vision of our Japan work, but because of the information and inspiration that has come and will continue to come to our people from first hand knowledge of our Japan Missions.

And then the more recent visit of Rev. W. P. Minton and Dr. J. O. Atkinson, Field Secretary of Missions of the S. C. C. to Porto Rico to study the interest and welfare of our Mission work there. This will, we believe, tend to advance our Mission work in Porto Rico, and bring about a greater fruitage of our labors there and promote a more hearty support by our local Conference and churches.

We believe that a vigorous campaign of Missionary Education should be kept up in our colleges, Conferences and local churches. Courses of mission study should not only be offered in our colleges, but their value will be duly emphasized in outlining and directing the courses of individual students.

Too much stress can scarcely be given to the organization of mission study classes in the local churches and missionary societies. The reading of mission books should be encouraged. One society that we know of this year purchased eight or ten of the best mission books to be secured, and distributed them among the members of the society with the instructions that they should read within a few weeks and the exchange for another.

In this way a good mission library could be built up, if a few books are added each year by the society. A splendid idea in connection with this plan is to urge the reading of these books by the men in the homes.

The use of mission literature and pamphlets wisely distributed is most practical, and such literature can be had from our publishing headquarters.

Missionary societies with a definite program of work, in every church of the Conference should be a goal definitely sought to be reached. This we believe is one of the objectives of the Woman's Missionary Conference, and here the hearty co-operation of the pastor and such aid as he may be able to give should be sought.

The work of the societies, to do the greatest possible amount of good, should be tied to the whole church program, instead of functioning as though the society was independent of the church. Not only should the societies report regularly to the church, but should occasionally demonstrate their zeal and interest in mission work by means of special programs, pageants, lectures and slides. This tends to arouse the interest of the whole church in missions.

The Christian Missionary should be well represented in every church, and a special committee appointed to look after the new and renewal subscriptions.

We heartily endorse and recommend the plan in all our Sunday schools to set aside the offering of at least one Sunday of each month for missions, and the election of a superintendent of missions who will present the subject of missions, in some way, at least one a month.

We recommend that each church have delegates or representatives to attend missionary Conferences and Convention whether denominational or inter-denominational, and have these report back to the local church. Your Committee is pleased to note a new phase of missionary interest in our Foreign Mission work, and most heartily commends the same.

Already several of the Life Recruits of the Men and Millions Forward Movement have entered upon special preparation for the foreign field in the capacity of medical missionary. At present we have no medical missionary on the field, and the great impetus that missions have derived from the medical missionary in other churches should be sufficient for the encouragement of this phase in our work. We believe it will be a great day for our work, when

our young people complete a thorough training and are added to our present missionary force.

Resolved: That this Conference in session urges that every sacrifice be made on the part of the subscribers to meet promptly payments on pledges due for Missions, Standardization Fund, and Men and Millions Forward Movement.

That the Campaign Committee of the Men and Millions Forward Movement be requested shortly to assemble for Conference, prayer and instruction in methods, groups of leaders, lay and ministerial, and that a field force adequate to handle the matter be provided to carry out the plans that shall come out of these group Conferences.

The following resolutions were submitted by Dr. W. W. Staley, and, on motion adopted:

Whereas, on the twenty-fifth day of October, 1921, Mrs. Emma Barrett, wife of Rev. Dr. J. P. Barrett, passed away after a long affliction, at the home of her daughter, Mrs. Bunn Hearn, in Wilson, N. C., and

Whereas, her life had been devoted and useful for many years, and her resignation and patience had manifested the Christian spirit under the hand of affliction; and

Whereas, as "Aunt Minnie" she had conducted the "Children's Corner", in The Christian Sun, from which sprang the Christian Orphanage, and,

Whereas, the close of her career at this time prevented Dr. Barrett from attendance upon this session of Conference; now, therefore,

Resolved: That the Eastern Virginia Christian Conference in annual session in Dover, Delaware, on this the third day of November, 1921, extend to Dr. Barrett, his daughter and family, sincere sympathy and condolence with the prayer that they may be sustained by His grace in this sore bereavement; and that Dr. Barrett's usefulness may be extended through many years, with unimpaired strength and Christian hope of reunion in our Father's house.

A vote of thanks was tendered Mr. H. Woodward for securing the service of Mr. Sam Davis for the musical program rendered.

Minutes of today read and approved.

Conference adjourned to meet Tuesday before the First Sunday in November, 1922, at Johnson's Grove church, Southampton, county, Virginia, at 11 o'clock a. m.

Prayer by Dr. L. E. Smith.

REPORT ON CHRISTIAN UNION

We re-affirm our conviction expressed in the report adopted at last session of Conference that the Christian Church can make no larger contribution to the Kingdom at this time than that of bringing the churches of Christ into closer fellowship and co-operation with each other. For more than a century now, we have proclaimed the necessity of Christian Union. In the early days we stood alone in our position. Some thirty years after our movement began, the Disciples of Christ appeared and announced their adherence to the same conviction, based on immersion. The last one hundred years has seen all the churches come closer together in spirit and since 1908 attempt to work together through the Federal Council of Churches of Christ.

The American Council on Organic Union of February 6, 1920, adopted a plan of federal union for American Protestantism. This plan will be submitted to the next session of the American Christian Convention for approval. The World Conference on Faith and Order has had one Conference and another is soon to be held. The Disciples of Christ, through their Commission on Christian Unity, has, during the past year, held several conferences in various parts of the country. We rejoice in all these movements as evidences of the unmistakably approaching answer to our Master's prayer for the oneness of his followers.

Our own Church, besides participating in the American Council on Organic Union, has held several conferences with the Disciples. The Christian Union church, too, has made overtures to us. A very pleasant and profitable informal conference was held at the Ocean View Chautauqua in July, 1921, when Dr. Peter Ainslie, Rev. James M. Crain, Rev. E. O. Watson and other Disciple brethren discussed with some of our own leaders, the issues involved in Christian Union.

We have caused to be printed in The Sun this year a few articles on Christian Union. Our Chairman attended the M. P. Conference at Enfield in November, 1920, and several of our people

their Burlington Conference last week. We gave the M. P. brethren the understanding that we were ready to co-operate with them in every feasible manner relative to their proposed college in North Carolina and in other ways.

We have invited Rev. A. R. Flowers, of the Free Will Baptist church to attend this session of our Conference and to speak for us.

REPORT ON FOREIGN MISSIONS

Missions is the keyword for the saving of the world. Truly, the spirit and thought of missions should be carried into every department of our church work. Our Savior's mission to the world should convince us that He was the world's greatest missionary. And after He had worked out His program for missions, He turned it over to His followers and told them to carry it to the uttermost parts of the earth, even to every creature. Mark 16:15.

We are glad to report that our work in the foreign field is prospering now more than it has for several years. We believe that our people would be more interested in our foreign fields if they knew more definitely what had been done and what condition the work is now in, and for that reason we will define the work as best we can.

We have in Japan: Four missionary families, thirteen ordained native pastors, one Bible woman, seven kindergarten teachers, fourteen organized churches, sixteen outposts, eleven branch Sunday schools at Utsunomiya, seven church buildings owned by our people, built in American architecture style. We also own three Japanese buildings that are used for parsonages and preaching places. The total church membership is 1,357. The natives are now giving their pastors a better support. The A. C. C. Board is now planning to put in two or three more buildings in the near future, which is a necessity, and, of course, to enable the Board to do this, we will have to increase our offerings. Having these facts before us we can better anticipate the future of our work in Japan.

Our work in Porto Rico is as follows:

One missionary family, one single lady Missionary, four native preachers, who have charge of the various preaching places—and only one of them ordained, one Bible woman, one kindergarten worker, one industrial school conducted by Miss Williams, four organized churches, nine outposts. Membership of these four churches 255. The total enrollment in Sunday school 685. We have four church buildings. We also have three or four buildings at out

stations, which are used for preaching places. Dr. J. O. Atkinson has recently been there and can give us something fresh from this field.

We are expecting to enter China as a new field, in the near future. This should be done as soon as possible for now is the opportune time, while they are crying "Come over and help us." We have four young men preparing for this field who will be sent forward as soon as they are ready and the means are in hand.

We are grieved over the death of our beloved Brother, Dr. M. T. Morrill, Secretary of the Board of Foreign Missions. We do not murmur, but bow in humble submission to the will of Him who doeth all things well.

Our Mission Secretaries, W. P. Minton and J. O. Atkinson, recenty went to Porto Rico to investigate needs and conditions there and to see whether we should continue the work we had begun there or leave same to the natives and other denominations. These brethren report that the various denominations are working harmoniously together there and are not overlapping in their activities. A certain portion of the island has been assigned to us to evangelize and reach for Christ, and in this allotment are about 70,000 souls who, if we do not reach, in all probability will not be reached for our Christ. There is no one else to reach them, and no one else is trying to reach them but us. The responsibility of the salvation of these souls is solely upon us of the Christian Church. Since the return of our Secretaries, and their reports were made, the Mission Board has decided that the greatest immediate need is for a medical missionary and we are praying that God will give us a consecrated physician to be sent to Porto Rico at an early date. Two out of five of all Porto Ricans die without any medical attention whatsoever. We are also under the necessity of building a church house in the town of Santa Isabel at the earliest possible date, and the Board has decided to build as soon as the funds are available.

We, of the Southern Christian Convention, have put $9,000.00 the past year, into building a missionaries' home in Japan to be occupied as soon as built by the Garmans. We are now to put $12,000.00 into the building of a kindergarten and night school in which Miss Stacey and others are to teach. This amount is now practically in hand and is to be forwarded at an early date. After this is paid, one half of the foreign mission funds raised by the people of the Southern Christian Convention is to go to the opening and support of a new work in China, and to this is to be added twenty per cent by our American Christian Convention Board.

We have now in training two, possibly three missionaries, who are to go to China for us and we are anxiously awaiting the day when our dear church will be aiding in helping to reach China's millions for Christ. The missionary call was never so urgent, nor the need so great. We feel that one of the best and surest ways in which we can help the work the coming year, is for every pastor to see to it that a Woman's Missionary Society is organized in every church where there is not one already, and, where there is a society, for the pastor to do all he can to help make it a better and more active society.

We urge all our people to subscribe for and read The Christian Missionary, published at Dayton, Ohio, at 50 cents a year.

We recommend:

1. That all pastors be requested to preach on the subject of missions one or more times during the year.
2. That each church have a mission day service to consist of songs, recitations, lectures, and offerings.
3. That the teachers in our Sunday schools teach Missions.
4. That we heartily recommend our own Christian Missionary to our people as being worthy of their reading.

Respectfully submitted,
P. T. KLAPP,
MRS. W. A. HARPER,
J. E. FRANKS,
Committee.

Adopted.

DISARMAMENT RESOLUTION

W. A. Harper offered the following resolution which was unanimously adopted:

"Resolved, That we appreciate the fact that the President of the United States has called the Disarmament Conference now assembled in Washington, and that we rejoice in the program of practical statesmanship submitted to said conference by the American Secretary of State. We welcome a day such as this in the world's history and congratulate ourselves that our nation is represented in this most auspicious gathering by a group of Christian men whose integrity and character commend themselves to universal approval. We pray that God's Holy Spirit may guide our representatives and the statesmen of the other nations in their deliberations, that His kingdom may come and His will be done on earth as in heaven. We hereby instruct the Secretary of this Conference to transmit this resoluion to President Harding and Secretary Hughes."

Rev. W. P. Minton delivered an illustrated lecture on Missions in Japan.

SECOND DAY—MORNING SESSION

In the absence of the President, Rev. G. O. Lankford, Vice President, presided.

Devotional services were conducted by Rev. P. T. Klapp.

Minutes of the previous session read and adopted.

The following committees on delegates to the Southern Christian Convention were appointed:

Laymen to nominate ministers: W. K. Holt, L. M. Clymer, J. D. Wilkins.

Ministers to nominate laymen: Dr. J. O. Atkinson, Rev. G. R. Underwood, Rev. J. D. Wicker.

Motion carried that we hear with pleasure the announcement of the books being published by Dr W. A. Harper and Dr. W. S. Long.

On motion Dr. W. W. Staley was invited to a seat as a deliberative member.

REPORT ON EDUCATION

Your committee notes the growing interest in education in North Carolina and throughout the country. This forces upon the ministry higher standards of education and efficiency. We urge our candidates for the ministry to seek the most extensive and thorough preparation possible to them. Nothing can be more worthy of a man's best than the ministry of the gospel of Christ. We urge our people to encourage and inspire our candidates to higher and more worthy ideals and to seek by moral and financial support to make it possible for them to attain these ideals.

The influence of Elon College on the ministry of the Southern Christian Convention becomes more evident with the passing years, and the college is seeking to extend and deepen this influence. The courses offered are the most modern and approved, an able and experienced faculty is constantly pursuing advanced work in the summer schools of our great universities, and the faculty and student body cooperate to produce a wholesome Christian atmosphere in which to live and grow.

The elimination of the preparatory department has been followed by an increase in the number of college students and the elevation of the tone of college life. The various religious organizations have coordinated their work in a "Religious Activities Organization," thus economizing time and avoiding over-lapping. This has stimulated interest and increased the efficiency of the religious work of the young people.

The needs of an institution, like that of an individual, increase with growth. We record our grateful appreciation of the moral and financial support given Elon College by this Conference and bespeak for it a continuance and increase of the same.

LICENTIATES

G. C. Crutchfield is in the Sophomore class at Elon College and pastor of Palm Street church, Greensboro. His church has requested his ordination, but we believe it would be best for him to continue his studies further and have more experience in the ministry before receiving ordination.

S. M. Lynam continues his studies in Elon College and has full church work.

I. T. Underwood and R. H. Coble are doing such religious work as opportunity affords in their own communities. They desire to be continued as licentiates and we so recommend.

R. O. Smith continues his studies in Elon College.

We have no direct report from D. T. McKinney, but understand he has been engaged in church work.

CANDIDATES

W. T. Scott, M. T. Sorrell and Elisha Bradshaw have been recommended by their churches for licensure. We have examined them carefully and recommend their licensure. The two first named are in Elon College.

E. C. Brady is now in Elon College and we recommend that the be continued as a candidate.

J. F. Cook has not reported to this committee.

W. B. Terrell of the Burlington church applies for admission as a candidate. We recommend his reception, conditioned on a satisisfactory recommendation from his church.

H. E. Crutchfield, of Pleasant Ridge church, Guilford, applies for admission as a candidate. He is recommended by his church and we recommend his reception.

RECOMMENDATIONS

We recommend that W. T. Scott be lent $150.00 to aid him in paying his college expenses at this session.

We also recommend that W. B. Terrell be lent $150.00 to aid him in paying his college expenses the present session, conditioned on a letter of reccommendation from his church.

We further recommend that in case either should not remain in

college the entire session the amount of the loan be scaled in proportion to the time spent in the college, and that the Chairman of this committee order the payment of these loans in three equal installments—December 1, March 1 and May 1.

W. C. WICKER,
J. W. PATTON,
R. L. WILLIAMSON,
Committee.

SUPPLEMENTARY REPORT

Rev. A. K. Scotten, Coleridge, N. C., an Elder in regular standing in the Methodist Protestant Church applies for admission to this Conference on his credentials. He is well recommended by our ministers who know him. We recommend his reception.

John M. Allred, a member of Pleasant Cross church, Randolph county, is a candidate for licensure. He is recommended by his church. We recommend his licensure.

R. I. Williams, Route 1, Fullers, North Carolina, a member of Pleasant Union, Randolph county, asks for licensure. We recommend that he be received as a candidate for the ministry, but that he further acquaint himself with our church polity and the teachings of the Bible before receiving licensure.

We recommend that this Conference endorse the Southern Christian Convention's system of Education as adopted by the Board of Education, and that each church hang a copy of the chart on its walls and the pastors call attention to and emphasize its significance.

W. C. Martin, Licentiate, Ether, N. C., desires to be continued as a licentiate and would be glad to take church work.

REPORT ON SUNDAY SCHOOLS

One year ago, out of our 118 churches, 113 Sunday schools, with a membership of 8,610, sent reports to this Conference showing a loss of only one school, while from the same 118 churches, only 27 Sunday schools (16 less than a year ago) were represented at our Annual Sunday school and Christian Endeavor Convention last July at Reidsville, N. C.

If, with less than one fourth of the Sunday schools in our Conference, in a Convention full of grit, enthusiasm, and determination we can show an attendance of twelve pastors, six superintendents, and eighty-three delegates, and adopt eighteen reports (all worth your consideration) and raise $127.47 for the orphanage; we wonder what would happen in a Convention where at least 75 per cent of the 113 schools were as loyal, faithful and active as the twenty-seven.

Notwithstanding the poor showing of our Convention statistics as stated above, your committee feels encouraged over the report of our Field Secretary, Miss Lucy M. Eldredge, as reported to the Board of Religious Education September 20, covering two months and twelve days active service in the field. At this time she had traveled about 1,425 miles, attended four Conventions and Conferences (including the Chautauqua), held four institutes, visited a number of schools and prayer-meetings, mailed out 1,477 letters and circulars, made sixteen talks, and furnished material for The Christian Sun since August 1.

The Board of Religious Education feels proud of the action of this Conference in donating the sum of $200.00 to this work. We believe that this is going to be our hardest year, financially, and while there are not enough funds in the treasury to finance our Field Secretary for three months, we have confidence in our Conferences, Conventions, Sunday schools, and Christian Endeavor societies throughout the bounds of the Southern Christian Convention and believe that they will not let this work lag.

The Sunday school being the strong, right arm of the church, from which comes 85 per cent of our church memebrs, 90 per cent of our missionaries, and 95 per cent of our preachers of the gospel, your committee feels that it should have deep and prayerful consideration at this time. We, therefore, recommend:

1. That every school use our denominational literature.

2. That each school place in its curriculum a teacher training course.

3. That every Sunday school put forth its best effort to reach the ten points as set by our Sunday school board for a standard school.

4. That every Sunday school in this Conference be urged to send to our Mission Board at least one Sunday's collection in each month.

5. That this Conference renew its allegiance to its Sunday schools by setting aside the second week in July of each year as

"Our Convention Week," and donating to the Sunday school work, through the Board of Religious Education, the sum of $200.00 to be paid not later than March 1, 1922.

SECOND DAY—AFTERNOON SESSION

Called to order by President R L. Williamson. Dr. P. H. Fleming conducted a period of worship. Rev. H. Russell Clem, pastor of the First Christian church, Greensboro, N. C., delivered the ordination sermon. The same was requested for publication in The Sun.

The following candidates were presented with their certificates of licensure: W. T. Scott, M. T. Sorrell, John M. Allred and Elisha Bradshaw.

On motion, a special order of business was ordered for Thursday morning, 10:00 o'clock, for the consideration of a resolution for the dissolution of the Conference into three parts.

Dr. W. W. Staley, President of the Southern Christian Convention, delivered an address on the relation of the Conference to the Convention.

Brother W. K. Holt was nominated as the lay leader of the Men and Millions Forward Movement of the Conference.

On motion, a resolution was adopted as follows:

That the Conference committee on the Men and Millions Forward Movement is hereby urged to take such steps as, in their judgment, is wise to encourage the collection of the pledges of said Movement.

REPORT ON RELIGIOUS LITERATURE

Your committee feels that just as secular press is one of the most powerful factors in shaping the destiny of secular affairs, so, likewise, the religious press is one of the most powerful factors in determining the destiny of religious affairs. There has never

been a time when there has been such a wealth of religious literature as at the present day. But your committee feels that, as a people, we are not reading religious literature as we should. We recommend to our people our religious publications: The Christian Sun, The Herald of Gospel Liberty, The Christian Missionary, our own missionary organ, which should be in the homes of our people. We are confronted with a peculiar situation. Our Church publications are suffering financial losses, being unable to meet their operating expenses. While there are a great many homes sorely in need of religious literature, the problem then is to bring the two together to the help and blessing of both. We bring this especially to the attention of the pastors, believing that they can do more than any one else to meet the situation, and believing also that by placing the church paper in the homes of his parish, he will be paving the way for the advancement of all the enterprises of his church. We note with gratification the wide attention that the recent works of Dr. W. A. Harper have attracted. We deplore the fact that more of our ministers do not do more serious writing for the press, concerning our work and the things we are striving to do. For herein lies a powerful agent ready and waiting to be used.

We urge our people to a more diligent reading of religious literature. Especially do we urge that our people be constant and diligent in the reading and study of the Bible, for it is the inspired word of Almighty God.

STANLEY C. HARRELL,
G. O. LANKFORD,
Committee.

SECOND DAY—EVENING SESSION

In the absence of President Williamson, the Vice President, Rev. G. O. Lankford, presided. Rev. Stanley C. Harrell, pastor of the First Christian church. Durham, N. C., delivered an address on "Books." The address was requested for publication in The Sun.

Rev. G. O. Lankford, pastor of the First Christian church, Burlington, N. C., delivered an address on "Recruiting for Kingdom Work."

The Lord's Supper was administered by Rev. J. W. Holt, Rev. J. W. Patton, Dr. P. H. Fleming and Dr. W. W. Staley.

Adjournment. Benediction by Dr. W. W. Staley.

THIRD DAY—MORNING SESSION

Devotional services were conducted by Rev. G. R. Underwood. On motion, the Secretary was requested to reply to the communications of the absent ministers—J. W. Wellons, W. G. Clements, J. W. Pinnix, W. N. Hayes, W. J. Edwards, C. B. Riddle, W. S. Long and J. P. Barrett.

REPORT ON HOME MISSIONS

Most encouraging reports come to us from churches to which appropriations have been made showing that funds so used have been wisely expended.

The Board was asked to take up notes held by D. C. Tharington and secured by the property of the Raleigh and Franklinton churches, respectively, the amount due on these notes being $1,250.00. W. K. Holt and the Chairman were elected a committee to investigate the validity, against the Board, of these notes, and if it is found that the Board is responsible for their payment, the Treasurer be instructed to pay them as funds can be secured.

Rev. J. E. Franks states that North Clayton church has raised $2,150.00 to meet an offer of the Board to appropriate to that church as much as the church raised. The church was asked to submit to the Executive Committee plans and specifications of the proposed building, and if these are accepted by the Committee, an appropriation is to be made to the church this year not to exceed $2,250.00, to be paid as soon as the funds are in hand.

An appropriation of $50.00 was ordered to pay on salary of Rev. J. F. Apple for services at Hopedale the past year.

It was ordered that an appropriation of $50.00 be paid to Rev. J. D. Wicker for services at Bethlehem (W) and Antioch (W).

Chapel Hill church requested an appropriation of $500.00 to aid them in their work there this year. While we realize the reasonableness of this request and the importance of the work, we regret exceedingly the inability of the Board to grant the request.

J. A. Dickey was elected Executive Secretary to this Board with no compensation except actual expenses. He is to secure pledges and receive payments of pledges to C. M. A.

The Board decided to undertake to supply the pastorless churches of Conference with pastors the coming year, and J. O. Atkinson was appointed to carry out the will of the Board in this matter, he to confer with the Executive Committee from time to time.

RESOLUTION ON CONFERENCE DIVISION

Resolved, That the Executive Committee take a referendum vote of the churches of the Conference by March 15, 1922, on the following three questions:

1. Shall we have a united Conference as now?
2. Shall we divide into three Conferences as before the merger?
3. Shall we divide into three Conferences using as the dividing line the Chape Fear and Haw rivers to Haw River, the North Carolina railroad from Haw River to Durham, and thence the Durham-Keysville railroad to Keysville, Va.?

Resolved further, that the vote be sent the Chairman of the Executive Committee, which committee shall take action to carry out the wishes of the churches supporting a majority proposition.

(Signed) W. A. HARPER.

REPORT OF COMMITTEE ON SUPERANNUATION

We, your committee on Superannuation, recommend continued approval of the plan adopted by the Southern Christian Convention at its last session. Whereby the superannuated funds are all handled by a committee appointed by the Convention, and we are pleased to report that all superannuated ministers of this Conference themselves, as far as we are informed, are receiving liberal aid from this fund.

L. M. CLYMER,

REPORT OF CHRISTIAN ENDEAVOR COMMITTEE

Last year there were thirteen Christian Endeavor societies. Since then there has been organized a new society at Piney Plains and we believe there are others, which have not reported, contemplating organization.

Our people are realizing the benefits of Christian Endeavor, though our progress may not be just what we want it to be. It will be a good day for the Christian Church when in each there is an active Christian Endeavor society. We are glad to report that the Board of Religious Education has now in the field an all-time Secretary, who will be glad to assist any society.

We recommend:

That this Conference combine the two Committees, Sunday school and Christian Endeavor, into one to be known as Committee on Religious Education, and that this Committee outline a course of study for Christian Endeavor, co-operating with the Board of Religious Education of the Southern Christian Convention.

MRS. BESSIE HOLT CLEM, Chairman.

REPORTS

SUPERINTENDENT LITERATURE AND MITE BOXES

This has been the banner year for Christian Missionary subscriptions. Every home represented in our missionary societies should realize that this is the agency which will broaden the mind as to a knowledge of the Church's reach into the world. We women need it. More societies are using the study books than heretofore and in most instances report added interest.

I have sent out many leaflets to societies for their programs. I wish individual societies would have their Literature Superintendent make known what helps they would like. The Conference Superintendent may often send something that cannot be used.

I have urged societies to use mite boxes instead of taking the collections which most have forgotten, until the President reminds them, after having reached the place of meeting, and then they give a little loose change found in their purses. This year we need more equipment in the fields than ever before. Let us form the habit of putting our mites into the boxes as we feel thankful for our little blessings, then, on box opening days, some of the rich experiences which have come into other lives, may be ours.

MRS. JOHN CARTWRIGHT, Superintendent.

For New Organizations

Each new organization is apportioned for the year $10.00. Each new organization too is expected to take up the three special offerings.

Honors: Societies sending in 25 per cent more than the apportionment will be known as A-1; those sending in 50 per cent more A-2; and those doubling, A-3. Those just reaching the apportionment will be known as A or Banner Societies.

Note Carefully: The regular dues may be used toward these apportionments, and should be sent in December 31, March 31, June 30, and September 30.

We recommend also that societies pay the apportionment quarterly and that each one try to "go over the top."

Methods of Raising the Apportionments

We suggest the following methods of raising the apportionments:

Life Memberships by members, $10.00 each.

Honorary Life Membership by men, $10.00 each.

Thank Offerings in December.

Self-Denial Offerings in January.

Rally Day Offerings in June, July or August.

Make some Society officer or pastor's wife Life Member by securing donations from individuals.

Donations by members.

Any other method desired.

All to Help

We ask each church not having a society to take three offerings a year for our work and send to Mrs. W. R. Sellars, Burlington, N. C. These are Thank Offering (December), Self-Denial Offering (January), and Rally Day (July or August).

The Honorary Banners

Three banners are to be offered: Women's, Young People's and Willing Workers.

Blanks for "Quarterly Financial Report" and "Annual Statistical Report" were adopted and 1,000 of each ordered printed.

Raleigh, N. C., was selected as the place for the next session and Thursday, November 9, 1922, as the day.

The Committee on Field Secretary recommended that the matter be referred to the Central Executive Committee.

REPORT OF COMMITTEE ON RESOLUTIONS

Resolved: That this Association express by a rising vote its thanks for—

1. To the pastor and people of the South Norfolk Christian church for the hospitality and entertainment provided so graciously, and for the splendid luncheon served.

2. To the speakers for their heart-inspiring addresses delivered today, thus giving to us a new vision with the possibility of an enlarged horizon of service.

3. To the officers of this Association, the pastors and members of local churches that have given personal and liberal support by a faithful membership in the Association.

MRS. HERBERT HARRELL,
MRS. JOHN KING,
MRS. J. M. RABEY,
Committee.

NEW MEMBERS SECURED

Berea—(Nansemond)—Mrs. Herbert Harrell, Young People's Missionary Society.

Portsmouth—W. L. Wells, Mrs. C. F Rudd, Young People's Society.

Motion made and carried that this Association have minutes printed in The Christian Annual.

Committee on Place reported that Union (Southampton) had invited the Association to meet with that church in 1922 session. Invitation unanimously accepted.

Collectors reported that $1,580.00 in cash had been collected today.

REPORT OF COMMITTEE ON PLANS

After careful consideration of applications for help and also considering the money which the Association has in hand, we recommend the following appropriations:

1. Newport News: On pastor's salary, payable quarterly, $200.

2. South Norfolk: $500 to the building fund, in accordance with the action of 1920, to be available when the new building is in the course of erection, the same with appropriations heretofore made, to be a part of the total sum of $2,500 which the Christian Missionary Association proposes to give.

3. Portsmouth: On church debt, $400. This is to be paid to the church treasurer.

4. Christian Temple: $600 to the building fund. This as a continuation of the action of 1920, to be given from year to year until the sum reaches $10,000.

5. Ocean View: The sum of $300, being a free will offering received at the present meeting, as the regular funds did not enable the Association to make appropriation from money in the treasury.

6. Old Zion: $100 on the debt of $900, provided sufficent funds come into the treasury to grant the request for this sum.

W. W. STALEY,
R. B. ODOM,
J. E. WEST,
B. L. NICHOLS,
C. H. ROWLAND,
Committee.

Adopted.

Committee on Plans supplemented their report by stating that it was favorably impressed with the new mission church at Ocean View, Virginia, but on account on the lack of funds, the Association would not be able to appropriate the $300 this year asked for by that church.

Dr. I. W. Johnson made the proposition to be one of thirty to give $10 each on the work at Ocean View.

Col. J. E. West took the floor and made a strong appeal in behalf of the work at Ocean View, stating that we should raise $300 before we adjourn.
